Household Waste Management

The City of Swan are committed to improving your environment and minimising waste charges. People who live in the City of Swan make a difference by avoiding unnecessary waste, by reusing items and recycling responsibly. Following this commitment, the City will not be producing guides every year, so save the environment by keeping this one.

Be a GREAT sort. Make landfill the last resort.

RECYCLE THESE 5

plastic, glass, cans, paper and cardboard.

GIFT STUFF

to charity, swap or sell.

EARTH-CYCLE

food scraps and garden waste into compost.

AVOID EXCESS PACKAGING

and disposable containers.

TAKE TO DROP OFFS

batteries, light globes, e-waste and chemicals.

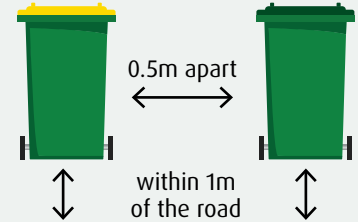

Place bins out by 6am on collection day

At least 1m from cars, street signs or power poles.

Place bins with wheels nearest to your house.

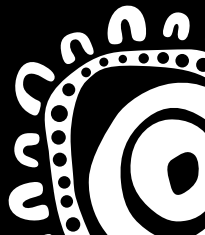

Do not place bins on the road.

There are no collections on Good Friday, Christmas Day and New Year's Day. If Christmas Day or New Year's Day falls on a weekday (Monday to Friday), all bin collections following these specific public holidays will be collected the following day.

The City of Swan acknowledges the Traditional Custodians of this region, the Whadjuk people of the Noongar Nation and their continuing connection to the land, waters and community. We pay our respects to Elders past and present, and their descendants.

How to sort your waste

General waste bin

Damaged clothing

Nappies

Polystyrene

Coffee cups

Soft plastics

Food-soiled cardboard

Garden organics

Food scraps

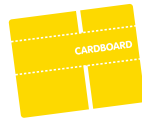

Used paper towels and tissues

Kitty litter and dog poo

Recycling bin

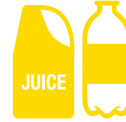

Items loose, rinsed and lids off

Cardboard

Glass bottles and jars

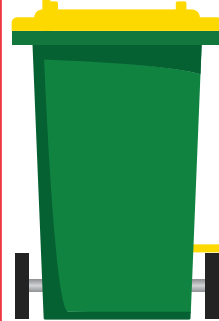

Plastic bottles and containers

Cans

Paper

Not sure where items go?

Household waste management and bin services

Be a GREAT sort - Landfill is the last resort

GIFT STUFF

Too good to give away?

Try givit.org.au

Remember, if you wouldn't give it to a mate, don't donate.

Could you make a little extra cash?

Try selling unwanted items or swapping for something you need.

EARTH-CYCLE

Earth-cycle is the process of turning food scraps and garden waste into compost.

The City offers a worm farm subsidy to residents and ratepayers, to find out more go to www.swan.wa.gov.au/wormfarmsubsidy

AVOID EXCESS PACKAGING

Residents of the City of Swan can avoid plastic bags by using their own reusable bags.

Other ways to avoid waste are:

- Using reusable nappies
- Getting take-aways in your own containers
- Buying loose fruit and vegetables over pre-packaged
- Buying in bulk to reduce packaging

Thinking Green

Our Thinking Green series helps us all to be GREAT sorts with the wide variety of free workshops.

For more information or to register, go to www.swan.wa.gov.au/thinkgreen

TAKE TO DROP-OFFS

These dangerous items can be extremely hazardous and do not belong in any bin.

Keep them out of all kerbside services and take to a collection point.

Flammables

Gas cylinders and aerosols

Corrosives

Household batteries

Fire extinguishers (non-halon)

Paint

Pesticides and herbicides

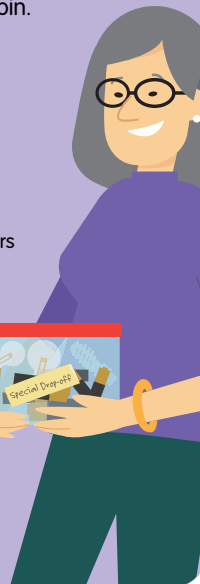

Fluorescent globes and tubes (CFLs)

Poisons

Laptops

For more information, head to: recycleright.wa.gov.au/find-my-nearest

CONTAINERS FOR CHANGE

When you recycle with Containers for Change, you get a 10 cent refund for every eligible container you return.

- **Step 1** collect eligible containers
- **Step 2** take them to a refund point
- **Step 3** earn a refund or donate

To return more than 1,500 containers at a time you'll need to sign a refund declaration form and provide identification. Please ask the staff for more information or assistance.

For more information visit containersforchange.com.au/wa

Waste Education Program

Book a free tour of Red Hill Waste Management Facility or learn how to manage your household waste by attending a talk, workshop or course. Borrow one of the many resources available to help reduce your waste such as the EMRC party box or paper making kit.

For more details visit emrc.org.au or email wasteeducation@emrc.org.au or call (08) 9424 2222.

Let's sort your waste

Bulk waste services

1 Book your collection at www.swan.wa.gov.au

2 Place separated material out for collection - no earlier than 48 hours prior to your booked collection

3 Material types will be collected separately from 6am on the booked collection date

Bulk Household Waste includes:

Green Waste

Garden waste, tree branches and twigs.

General Waste

Chairs, sofas, toys, cardboard. Too large for your normal bin.

E-Waste

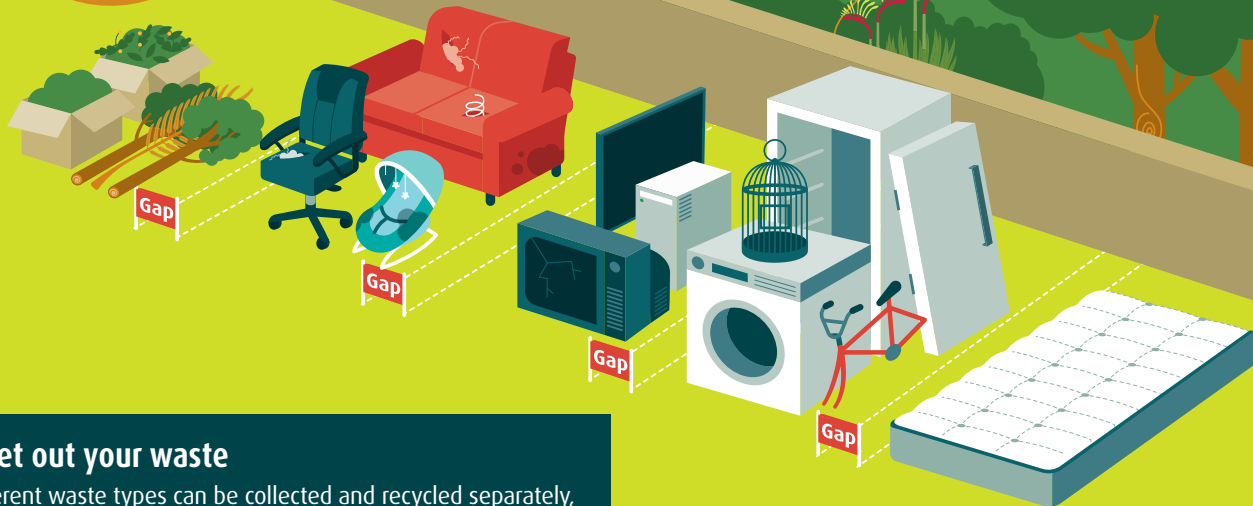

Computers and TVs only.

Metal

Scrap metal, fridges, washing machines.

Mattresses

Mattresses only.

How to set out your waste

So that different waste types can be collected and recycled separately, you will need to sort waste into piles on your verge as shown above. This will ensure less of your waste goes to landfill. Each household can place onto the verge up to 3 cubic metres of waste per collection.

Do not obstruct the footpath, your normal bin service or the line of sight for motorists.

Do not place any waste on driveways, near sprinklers, water meters, mail boxes, power poles, trees or other obstructions, as they may be damaged when waste is collected mechanically. To find out whether you have a 'pre-booked verge' collection service, go to www.swan.wa.gov.au

**Recycling Centre -
Bullsbrook & Reuse Shop**
121 Stock West Road, Bullsbrook
(08) 9207 8697

Recycling Centre - Malaga
7 Cogla Street, Malaga
(08) 9267 9198

Bulk waste services

**Household hazardous waste and
disposable sites (back page)**

Household hazardous waste (HHW) disposal

Some everyday household products are classed as Household Hazardous Waste (HHW) and can contain chemicals or substances harmful to people and the environment. Examples include:

Flammables

Household batteries

Corrosives

Paint

Poisons

Gas cylinders and aerosols

Fire extinguishers (non-halon)

Fluorescent globes and tubes (CFLs)

Pesticides and herbicides

HHW can be safely disposed for free at the Red Hill Waste Management Facility.

Up to 20kg/L per material type. No commercial quantities.

EMRC Red Hill Waste Management Facility

1094 Toodyay Road, Red Hill

Phone: (08) 6219 7333

Open: Monday to Saturday 8.00am - 4.00pm

Sunday 10.00am - 4.00pm

Closed Good Friday, Christmas Day and New Year's Day.

Go to wastenet.net.au for a full list of HHW drop-off points and accepted items.

Waste accepted at Red Hill Waste Management Facility:

- Televisions, computers and computer accessories (whole, unbroken items only).
- Household Hazardous Waste - no commercial quantities. Chemicals must be in a sealed, suitable non-returnable container and where possible labelled with the chemical.
- General waste (fee payable).
- Asbestos (fee payable) - must be twice-wrapped in thick plastic, taped and labelled "CAUTION ASBESTOS" in letters not less than 50mm high.

For a list of fees and charges, visit emrc.org.au or call **(08) 6219 7333**.

Do not mix HHW with general waste or recyclables.

City of Swan Community Recycling Stations

You can drop-off your empty aerosol cans, printer cartridges, fluorescent globes, old mobile phones, and household dry-cell batteries into one of the City of Swan's Recycling Stations.

For a list of all public drop off points, go to emrc.org.au
